- sunblock should be applied to your student before school.
- pack a snack, a water bottle, and a sack lunch.
- may walk around, have lunch, and use the restroom when they choose to do so.
- Chaperone and student groups may walk around with other groups.
- (students) may bring \$20 or less to purchase ice cream, candy, etc!
- (students) may NOT bring any gaming devices, cell phones, or cameras. We would like all students to be present during the trip. Parents/Chaperones will be taking pictures all day to share, so individual student cameras/devices are NOT necessary
- will be representatives of the Lake Orion Community School District and Carpenter Elementary; all students and adults/chaperones are expected to be on their very best behavior. Students are to listen to the chaperone in charge of their group, and display their best behavior.
