

Valentine Celebration Information!

Students and Families,

Our Valentine Celebration is near! We will be having our Valentine's Celebration on Friday, February 15th, from 1:30-2:30. If your child would like to hand out Valentine cards, please make sure he/she has one for each of their classmates. I am asking students to design their box or bag at **home** and bring it into school by Thursday, February 13th. If it is a box, it should have a lid with an opening that cards/treats can fit through. Also, please make sure your child's name is on his or her box/bag. We will pass out the cards on the day of the party.

Below is a list of the 28 students in our class.
